Thank you for your consideration in joining our team!

Blue Chip Football Camps are in our second decade of teaching the fundamentals of football. We are proud of our reputation and the thousands of student-athletes who have attended and benefited from our camps. Our camp's primary objective is to teach the fundamentals of football and make the football experience special regardless of a child's experience or athletic ability.

Blue Chip Football Camps are one of the few football camps in the nation to offer a scholarship program to our campers. We believe that every athlete should have the opportunity to attend our camps regardless of a families financial situation. With the help of our business community in Sonoma County we will always offer this scholarship program to the kids of this community.

By the numbers:

Youth Camp will print approximately 450 t-shirts.
